Get up close and personal with Sri Lanka’s famed Cultural Triangle, East Coast and Colombo with this itinerary. Spend two nights in the Cultural Triangle, where you can visit the first Sinhalese kingdom of Anuradhapura which has historical sites scattered across a vast area. From there head to the East Coast, where turquoise blue seas await you. Take a dip in the crystal clear waters and laze around by the beach with a book. For the final leg of your holiday, stop-off in Colombo and go on city tour with a Colombo based host.
